

# THE INDI-STRUCT RANGE

## CONTRACT FURNITURE FOR EXTREMELY CHALLENGING ENVIRONMENTS

The Indi-Struct Range has been specifically designed to offer you a severe contract furniture solution. It has been tested for strength and stability to BS4875 parts 7 & 8 (2006) Test Level 5 - severe contract furniture. It is extremely tough, we guarantee it for 7 years.

The Indi-Struct range offers everything from beds and bedroom cabinets, to lounge/living units with secure TV cabinets. However, if you have any special requirements which you feel will need extra attention, let us know and we can discuss various bespoke design options. We also offer a range for extra high dependency units.

- ✓ 18mm easy clean melamine-faced MDF carcass
- ✓ 25mm easy clean melamine faced MDF tops with soft rounded corners and smooth profiled edges
- ✓ 18mm thick solid fixed backs to all units
- ✓ Heavy duty 18mm MDF drawer box with heavy steel roller runners for extreme strength and durability
- ✓ Drawers are fixed so that they cannot be removed without security tools
- ✓ Security screws used throughout as standard
- ✓ Fixed shelves
- ✓ Living Range handles secured with anti tamper fixings
- ✓ Bedroom Range has cut out handles
- ✓ Various hinge options dependent on requirements
- ✓ No hanging rails in wardrobe, fluted shelf which allow for hangers
- ✓ Scratch resistant polycarbonate panels are used in display cabinets

## INDI-STRUCT DRAWER SYSTEM

The Indi-Struct range has the one of the strongest drawer systems available on the market. The drawer box and base is made from 18mm thick melamine faced MDF which is then mounted on heavy duty steel roller runners rated to 100kg. The drawers are fixed so they cannot be removed without the aid of security tools.

## INDI-STRUCT LIVING RANGE

All units in the Indi-Struct Living Range come completely lockable as standard.

Our secure TV units are made to house a modern television, DVD players and a range of games stations. These items can be locked away from risk of abuse without reducing viewing quality thanks to a scratch resistant polycarbonate viewing panel. Polycarbonate is said to be 200 times stronger than its equivalent in glass.

Please remember to state your choice of wood finish when you place your order.
